SERVICE & REPAIR

At Arroyo our business is keeping your business running. If we can't install, maintain and repair it...We don't sell it!

Arroyo is an authorized factory repair facility for many of the manufactures we represent. All of our technicians are factory trained and certified to comply with each manufactures' OEM specifications. Our own fleet of fully-equipped trucks assures our customers of prompt, friendly and expert pick-ups & deliveries.

At Arroyo we offer:

- One year warranty on parts and labor
- On-site installation supervision
- On-site engineers for redesigned equipment to fit your needs
- Failure analysis report
- Turnkey services

In-House Services Offered Include:

- Quality replacement components with OEM or equivalent parts
- Pump upgrades
- Mixer upgrades
- Machining operations
- Duty certification
- Epoxy coating
- Sand blasting
- and much more

Field Service:

Arroyo's extensively trained and certified technicians can provide emergency equipment service in your plant. A full range of repairs can be provided on-site including performance evaluations, mechanical repairs, and testing.

On-Site services include:

- 24 hour response
- Factory trained technicians
- Preventative maintenance programs

Equipment Serviced:

- Mixers (Lightnin, Philadelphia, Chemineer, Sharpe, M2T Technologies, Lotopro and others)
- In-Tank shafts
- Rake drives/clarifiers
- All rotating equipment
- Clarifiers (Westech, Eimco, Denver, and others)
- Pumps (centrifugal, submersible, progressive cavity, positive displacement, air operators and others)
- Motors & Drives
- Gearboxes (Lightnin, Philadelphia, Sumitomo, Falk, Hansen, Sew, and others)
- Agitators wetted parts, repairs, fabrication and upgrades
